

PRIVATE TERRARIUM WORKSHOPS

Hi I'm Layla, the founder of York Terrariums. After 4 years of running workshops across London I've moved to York and I'm excited to share my passion for all things green!

FUN FACT

95% of people experienced an improvement to their mental health after spending time in/ with nature!

Private workshops are an opportunity to host an event tailored to your needs.

Some examples may be:

A launch party, wellbeing event, team building day, fundraiser or simply a chance to host a fun new event!

WHAT'S INCLUDED?

- Glass vessels + cork
- Placemats
- Terrarium plants + moss
- Pebbles
- Compost + charcoal
- Use of specialist terrarium tools
- Care guide
- Expert guidance from a horticulturist

WORKSHOP DETAILS

Workshops consist of an introduction on the history and science of terrariums, information on the plants and tools provided and a quick demonstration before everyone gets stuck in!

Workshops last about 1.5 hours and can be held weekdays or weekends. They can be held in any venue, all that is required from a space is tables, chairs and parking - we'll bring the rest!

Depending on the scale of the event, we will arrive 30 minutes - 1 hour before to set up.
